Hello Everyone,

TA-DA! At last, due to God’s grace and your generosity, we have our homes under roof. Below is a photo of the one which will also serve as our office. Sorry it appears a bit small, but larger made it blurry. While not a wonderful photo, you can see the second house behind the first one also under roof, as is our community school (not seen).

Our current maize crop is doing well. Gedaliah is in the process of partnering with CARE Int’l. to work with us on a vegetable growing project to include the entire community. This will be invaluable in providing food security for everyone, but more especially to women heading households to provide for the orphans and other vulnerable children.

Another Hooray! The site has been selected and the ground cleared for our first church plant. Our main Bridge Committee is actively working alongside other members of the community to make and stockpile bricks for constructing a church. Some time back we introduced Crossroads (our prayer initiative to pray for the nation) to the community of Kasongo and they are now ready to take it to the next level. We have been working toward this and praying for this for a very long time. God is indeed good.

Gedaliah has been given a chance to speak at an upcoming church conference on the work of Bridge, how we interact with other churches in the community, and also what part the church and believers need to play in the HIV/AIDS pandemic in Zambia. While this is not the first time Ged or myself has been given a chance to speak at such an event, we are always grateful for the opportunity to promote healing through the sharing of information, prayer, and spiritual guidance.

We continue to believe that our prayers coupled with yours make all the difference. They are our most valuable asset, so please continue to lift us up any time the Holy Spirit prompts you. You are blessed to be a blessing. Thank you.

God bless you abundantly,
Ruth for the entire Bridge Team
